

UPEI Career and Job Fair information

Service Canada

Keri Shields, Marketing and Communications, Service Canada.

Visit www.jobs.gc.ca to find out how to apply for federal government positions and visit www.servicecanada.gc.ca to find out about programs for youth and students.

In early May, Service Canada Centres for Youth (SCCYs) will be open to serve youth looking for summer work. There are five centres across PEI, including Charlottetown, Summerside, Montague, Souris and O'Leary.

SCCYs can provide youth with:

- job postings
- career-planning information
- assistance in developing résumés and cover letters
- job interview tips and techniques
- information about high-growth job sectors, wage rates, employment standards, and health and safety in the workplace
- information about other Government of Canada and provincial/territorial employment initiatives.

For a list of student/youth summer jobs, visit www.jobbank.gc.ca and click on **Student/Youth Job Search**.

Visit www.pei.jobfutures.org to research current and future job prospects for occupations on PEI. This website lists 200 occupations on PEI, including salary ranges and employment outlook.

CGI

"CGI, located in Stratford, offers opportunities to people who have an Information Technology background," says **Grant Savoie**, Recruiting and Resource Management. Company positions include: Developers, Analysts, Business Analysts, Database Administrators, Team Managers, Project Manager and Directors.

"When hiring, we look at relevant IT skills the applicant has attained through industry experience, university or community college education."

For more information visit the website at www.cgi.com or e-mail a résumé to atlanticjobs@cgi.com

Wells Fargo Financial Corporation, Canada

Richard Schipper, Store Manager.

"Wells Fargo has branches and business groups in 48 states, Canada, the Caribbean, Latin America and the Pacific Rim," says **Richard Schipper**, Store Manager.

"On PEI, offices are located in Charlottetown and Summerside. About two or three new staff members are hired annually on PEI, and they are actively recruiting for positions at other stores across Canada. Positions in the company include Administrative, Human Resources, Operations, Sales/Lending/Credit, Customer Service, Collections, Project Management and Technology."

For more information, visit www.wellsfargofinancial.ca/careers

Canada Revenue Agency

Rod Gallant, Resourcing Programs Technical Consultant and Student Recruitment Advisor, Atlantic Region.

At the UPEI Career Fair, the Canada Revenue Agency was recruiting for positions at the Summerside Tax Centre and other offices across the Atlantic region.

Most **Clerical** and **Officer** positions require a minimum of a high school diploma. A university degree is not required for most entry-level positions. The CRA has an excellent education assistance program for employees. On-the-job training is provided.

For more information and a list of positions and student opportunities, visit www.cra.gc.ca/careers

Canadian Food Inspection Agency (CFIA)

"CFIA is always looking for qualified applicants, including co-op and summer students, recent graduates and experienced professionals from various disciplines," says **Mark Cameron**, Fair Labelling Practices & Food Safety Specialist Inspector, CFIA.

Positions include: administrative and clerical work, agriculture, biology, communications, computer systems/information technology, finance, human resources, inspection, laboratory technician, policy, statistics and veterinary medicine.

Hiring programs

• **Career Focus** program provides recent graduates with opportunities in biological, chemical, agricultural and veterinary sciences.

• **Post-Secondary Recruitment** offers entry-level positions throughout the year.

• **Co-op/FWSEP** hires students directly from an educational institution or recruits them through public service student employment programs.

• **Research Affiliate** programs give post-secondary students experience in applied research.

• **Student Internship** programs provide an annual paid work-term, appropriate training and tuition reimbursement.

Mark Cameron, Fair Labelling Practices & Food Safety Specialist Inspector.

For more information visit www.jobs.gc.ca or visit www.inspection.gc.ca and search **employment**.

The PEI Aerospace Human Resource Sector Council

Lisa Clory (left) and Holly Chessman, Human Resources Coordinator with Vector Aerospace Engine Services Atlantic, Summerside.

"Currently, there are nine companies in the province providing Aerospace products or services," says **Lisa Clory**, Office Manager of the **PEI Aerospace HR Sector Council**. "Many of the companies are projecting continued employment growth for the coming months and years. We're here to create awareness about the sector and related career opportunities."

Visit www.aerospacepei.com for information about career opportunities and available training.
